## **Shuttleworth Collection Scale Model Exhibition Sunday 18<sup>th</sup> February 2018**

You are cordially invited to attend the ninth annual Shuttleworth Collection scale model exhibition to be held at Old Warden Aerodrome on Sunday 18<sup>th</sup> February 2018.

The event will follow a similar format to the previous years. The exhibitors and traders will be located in the engineering hangar, which features heating! The Collection will be open on the day and reduced admission prices will allow visitors to view the Collection and the model event. There will be a modelling competition, trade stands and refreshments available on the day, within our excellent restaurant.

This year's prices remain as per last year, a trade space of 6ft x 6ft pitch will be £20 up until 31<sup>st</sup> December 2017. After this early bird booking period the pitch price will increase to £30 per 6ft pitch. Tables are not provided but can be pre-booked if needed at a small additional cost per table. Space will be allocated on a first come, first served basis, so please return your booking form ASAP and no later than 28<sup>th</sup> January 2018 and don't forget to return it before the New Year if you would like to take advantage of the early bird discount!

We hope that you will be able to support this show and help us to spread the word about the event to encourage as many people as possible to attend. To assist with this we have enclosed a flyer for the event which we would be grateful if you would display.

Yours faithfully

Kevin Panter
